IMPORTANT DISCLOSURES*

*ARIA Global Impact Income Fund refers to the performance of GBP Share Class C (MT7000026399), unaudited figures, net of fees. Share Class C GBP is chosen as this is the base currency of the fund. Investor returns in different currency share classes may vary substantially due to changes in currency exchange rate movements. Past Performance of any kind, actual or simulated, is not a reliable indicator of future performance and should not be the sole factor of consideration when selecting a product or strategy. Please note there may be additional third-party fees applicable based on the way you access the strategy (financial adviser fees for example) which are not factored into the return data. Asset allocation information is shown for illustrative purposes only and may not be correct at the time of reading the document. S&P Global Clean Energy Index is included for illustrative purposes only and as a performance comparator. It is not intended to imply that the portfolio was similar to any index either in composition or in element of risk.

The value of investments can fall and you may get back less than you invested. Past performance is not a guide to future performance. Any specific investments mentioned are for illustrative purposes only and are not intended as investment advice.

IMPORTANT DISCLOSURES AND RISK WARNING

All performance shown in Additional Share Class Information relates to live 12 Month (TR) and 2022 calendar year performance of the respective Share Class. Investor return in different currency share classes may vary substantially due to changes in currency exchange rate movements. Past Performance of any kind, actual or simulated, is not a reliable indicator of future performance and should not be the sole factor of consideration when selecting a product or strategy. Investments in equities, fixed income and commodities/commodity related securities are subject to market risk. Investors' return in different currency share classes may vary substantially due to changes in currency exchange rate movements. Please note there may be additional third-party fees applicable based on the way you access the strategy (financial adviser fees for example) which are not factored into the return data. Asset allocation information is shown for illustrative purposes only and may not be correct at the time of reading the document. Changes in exchange rates may have an adverse effect on the value price or income of the product. The ARIA Global Impact Income Fund (the "Fund") may use higher leverage and financial derivative instruments as part of the investment process. The distribution of this report does not constitute an offer or solicitation and this notice is not contractually binding and shall not be construed as an offer of sale in the Fund or any other fund managed or advised by ARIA Capital Management. Any investment in the Fund should be based on the full details contained in the Fund's Supplement Prospectus and PRIIP KID which may be downloaded from the ARIA Capital Management website. Information given in this document has been obtained from, or based upon, sources believed by us to be reliable and accurate although ARIA Capital Management does not accept liability for the accuracy of the contents. Issuer: This communication is from ARIA SICAV PLC, Company registration number ID SV 415, trading as ARIA, with the registered address The Hub, Triq Sant' Andrija, San Gwann, SGN 1612, Malta.
